

The diagram shows a top-down view of a rectangular box. A horizontal pink bar at the top represents the 'Gummed flap'. A horizontal line across the middle of the box indicates the top edge of the main compartment. At the bottom, another horizontal pink bar is labeled 'Gummed flap will seal in this area'. The box is outlined with a thin pink line, and the corners are rounded. The entire diagram is set against a light gray background with black lines indicating the edges of the paper.

Gummed flap

Gummed flap will seal in this area
